SYN. NO. _____

MOTION BY SUPERVISOR YVONNE B. BURKE

August 16, 2005

The King/Drew Medical Center Hospital Advisory Board (HAB) has recently experienced two resignations among its members. The HAB is playing an important role in the efforts to fix the problems at King/Drew.

Dr. Hector Flores, the HAB chair, recently informed the Board of Supervisors that its Nominating Committee had unanimously accepted the nomination of Cornelius Hopper, MD, to fill one of the two vacancies. Dr. Hopper has a distinguished career in health care and would be a strong addition to the Hospital Advisory Board.

I THEREFORE MOVE THAT the Board of Supervisors appoint Cornelius Hopper, MD, to the Martin Luther King, Jr./Drew Medical Center Hospital Advisory Board as recommended by HAB's Nominating Committee, to fill one of the vacancies created by two resignations.
